Quote of the  
Week:

**“I believe that the  
most important  
single thing,  
beyond discipline  
and creativity is  
daring to dare.”**

April is flying by! State testing is now complete and there are many things to look forward to! This is an especially busy time for those involved in sports and other extracurricular activities. Field trips, early dismissals, and extra activities often pull students away from class and seminar. Be sure to check in with your students to make sure they are staying on top of their work! Reminder that after school tutoring is available in the library Monday, Tuesday, Thursday, and Friday for those that need some help or just to have a quiet space to get homework done or complete missing assignments and tests.

Some of our art students currently have work on display at the Muskegon Museum of Art. Stop down and check out the exhibit that runs through May 19th. [Link](#)

A list of important dates will be listed on the 2nd page of this newsletter. Many are relating to senior activities. If you are a senior parent, please check in with your student and Power School to ensure that they are showing up to classes on time and doing their work to make it a successful end to their academic career at MHS! Please also check email and text messages from the school with important upcoming information and announcements.

There is an upcoming fundraiser being planned that will benefit our Hope Squad! Please see the 3rd page of the newsletter for more information.

Make plans now to Bike or Roll to school on May 8th! [Bike & Roll Info](#)
